2. APPROVE THE AGENDA –
   Motion #1: A.Hooper moved to approve the agenda. R.Orvis seconded the motion.
   Discussion: The Chair asked that Item # 7(e) be removed from the agenda, as it pertains to the
   Executive Board (E.Bd) schedule and should not be taken up by the BOS.

   VOTE on Motion #1 as amended: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh
   (2), Goshen, Lincoln, Middlebury (4), Monkton, New Haven, Orwell, Panton, Shoreham,
   Starksboro, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

3. PUBLIC COMMENT PERIOD – The Chair opened the public comment period.

4. MEMBER COMMUNICATIONS –

5. APPROVAL OF MINUTES FROM MEETING NO. 318 –
   Motion #2: D.Gaynor moved to approve the minutes of meeting no. 318. R.Orvis seconded the
   motion.
   Discussion: The Chair pointed out that on p. 2, Line #4, it should read that the audit was presented on
   May 12th, not March 12th.

   VOTE on Motion #2 with correction noted: Yes –22 (Addison, Bridport, Bristol (2),
   Ferrisburgh (2), Goshen, Lincoln, Middlebury (4), Monkton, New Haven, Orwell, Panton,
   Shoreham, Starksboro, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

6. FINANCIAL REPORTS –
a. April 2021 Financial Report – PJ presented the April 2021 Financials showing a net gain of $36,941. April tonnage of 2,009 tons was higher than the 2020 total of 1,687 tons. Total YTD tonnage of 6,435 tons is 167 tons more than in April 2020. The total of Transfer Station transactions in April was 6,068 v. 2,080 in April 2020. YTD transactions were 17,586 v. 12,218 YTD transactions in 2020. In April, the Transfer Station received 375 tons of single stream recyclables v. 341 tons in April 2020. YTD transactions were 17,586 v. 12,218 YTD transactions in 2020. In April, the Transfer Station received 375 tons of single stream recyclables v. 341 tons in April 2020. YTD tonnage of tires was 68.72 tons v. YTD tonnage of 39.47 in 2020. April food scrap total is zero, as the food scrap roll-off box was hauled in the first week of May and will be in May's totals.

b. April 2021 Single Stream Recycling Report – PJ stated that 380.39 tons of single stream recyclables were hauled to the MRF for processing at a decreased fee of $74/ton, resulting in a YTD net gain of $47,464.30 (without overhead costs included). Staff was asked to calculate the total cost per ton with overhead for BOS discussion in July of a possible single stream recycling rate reduction.

c. Municipal Diversion Grant Applications – None Received

d. School Diversion Grant Applications – None Received

7. NEW BUSINESS –
a. Orwell Drop-off Closure at end of June – TK reported that Seguin Hauling has given notice that it will discontinue operating the its Orwell (private) Drop-off on Saturdays at the end of June. The Town of Orwell does not provide a town drop-off. S.Harris wanted to know what the BOS's or her role would be in addressing this lack of drop-off. TK will talk with S.Harris about possible options for the town, such as speaking with another town or private hauler about using their drop-offs at least until a solution can be found. Some of the towns subsidize their drop-offs; their drop-offs might not be open to non-residents.

b. New Haven Transfer Station Extension Site –
- Paul Sokal questions, map of gross tonnage per town: P.Sokal provided a handout showing the percentage of District tonnage from each town at the District Transfer Station. TK pointed out that the total 21,676 tons included C&D, which the New Haven site would not be accepting. P.Sokal raised the concern about competition with existing town drop-offs. B.Finger asked why the District did not approach the Town of Middlebury for permission to allow its Transfer Station to accept bagged waste & recyclables. TK reminded him that the Town's major issue has always been the limited queuing area for vehicles. We considered purchasing the U.S. Park Service property, but tying the two sites together with a longer queuing area and bag drop was not feasible. A.Hooper just toured the Transfer Station and witnessed the lack of operational space on the site, despite the District having modified the site to improve traffic flow and capacity over the years. He did speak with the Town Manager, and prospects are not great for modifying the facility to accept bagged waste & recyclables.
- General Update: After the Traffic Study is finalized, the next step is for the BOS to decide if it is going to offer a purchase price to the owner, and if it would be just for Lot 6, or for Lot 6 and the Church lot. Then a purchase & sale agreement would be drafted.
- Weston & Sampson Traffic Study: The first draft of the Traffic Study in New Haven concluded that a left turn lane should not be required. However, based on the projected PM peak hour trips and the VTrans impact fee rate of $810/each, it appears that an impact fee of approx. $13,000 would apply due to the proximity of the site to the proposed roundabout on Rt. 7 and Exchange Street in Middlebury. The final report will go to VTrans for their consideration.

Motion #3: C.Brinkman: "Given the staff's assurance of suitability and dedicated monies already in the current budget, I make a motion to proceed with an offer, to be determined in Executive Session, for the acquisition of both the New Haven Lot #6 for immediate use and the Church Lot for future use, in order to consolidate the permitting and Act 250 processes for both, contingent upon approval of all required permits and Act 250." D.Gaynor seconded the motion.

VOTE on Motion #3: Yes –21 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen, Lincoln, Middlebury (4), Monkton, Orwell, Panton, Shoreham, Starksboro, Vergennes (2), Weybridge, Whiting). No – 1 (New Haven). Abstain – 0.
c. Ratify – Executive Board Sewerage Construction Bid Award – The Chair reported that after receiving two bids for sewerage construction project at the Transfer Station/Office, the E.Bd voted to award the bid to Champlain Construction. Due to a series of delays in this project, including a one-year delay due to COVID-19, and the limited window of time for completing construction by the end of Sept., the E.Bd voted to award the bid as an emergency purchase.

Motion #4: P.Sokal moved to ratify the E.Bd’s decision to award the sewerage construction bid. A.Hooper seconded the motion.

VOTE on Motion #4: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen, Lincoln, Middlebury (4), Monkton, New Haven, Orwell, Panton, Shoreham, Starksboro, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

d. Ratify – Executive Board Extension, ENPRO Agreement for Hazardous Waste Services – DM explained that the ENPRO Agreement allows for a one-year extension upon one-month notice by the District, which was June 13th. The District has had very good service with ENPRO, and all conditions of the Agreement, including rates, will remain the same.

Motion #5: R.Orvis moved to ratify the E.Bd’s decision to extend the current Hazardous Waste Disposal contract to ENPRO. A.Hooper seconded the motion.

VOTE on Motion #5: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen, Lincoln, Middlebury (4), Monkton, New Haven, Orwell, Panton, Shoreham, Starksboro, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

e. (Removed from Agenda)

f. Adopt Change to Hybrid Meeting Format for both BOS and Executive Board (Physical meeting room as well as Zoom option)

Motion #6: R.Orvis moved to approve that the BOS adopt a Hybrid Meeting Format for members to attend via in person or via ZOOM. E.Zuesse seconded the motion.

VOTE on Motion #6: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen, Lincoln, Middlebury (4), Monkton, New Haven, Orwell, Panton, Shoreham, Starksboro, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

8. DISTRICT MANAGER REPORT –
   a. COVID-19 Response Update – The District office and Transfer Station will follow the VOSHA guidelines as they are amended.
   b. New Auditor, for auditing facilities/haulers to confirm District Fee collection – Carl Mitchell, the auditor for the solid waste districts and the State for many years who tracked District Fees and the VT Franchise Tax, is retiring at the end of the month. The State is going to use its own auditor for the Franchise Tax. The solid waste districts will share a new auditor. The hourly rate will increase for the service, but the districts/ alliances will see their VT Solid Waste District Managers Assoc. dues reduced.

9. DISTRICT PROGRAMS REPORT – Addison County Fair & Field Days: Staff is continuing preparations for the Fair, which includes recruiting Waste Warrior volunteers to help fairgoers sort food scraps and to staff a booth. SWIP: We’re in the final stages of submitting our annual SWIP Implementation Report to the State, which summarizes our programs, outreach and disposal rate in CY2020. Compost classes: Staff wrapped up our Spring Backyard Compost workshop series on June 1st. Our next workshop series will focus on educating residents on food waste source reduction. Signage: In response to requests from Town Drop-offs for signage on proper blue-bin recycling, we have made up large 2'x3' coroplast signs. So far, Monkton, Bridport, Shoreham, and Lincoln have taken us up on the signs. We have more available along with a 2021 edition of the State Landfill Ban sign, which is required to be posted at each Drop-off. If your local Drop-off would like or needs a copy of the 2021 edition, we have it printed on coroplast and can work with you or your hauler to get it delivered and posted. Drywall and Asphalt Shingles: We’ve shipped our first loads of new construction drywall (about 7,000 lbs) and asphalt shingles (about 25,000 lbs) for recycling. Both are going to the Myers
1 recycling facility in Colchester. Drywall is sent from there to be made into a fertilizer product, and shingles are
2 sent out of state to a facility that processes them into a construction material.

10. OTHER BUSINESS – None.

11. EXECUTIVE SESSION – For the purpose of discussing negotiation of a purchase & sale agreement
   of property –
   Motion #7: R.Orvis moved that the BOS enter Executive Session for the purpose stated in the
   agenda. D.Gaynor seconded the motion.
   VOTE on Motion #7: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen,
   Lincoln, Middlebury (4), Monkton, New Haven, Orwell, Panton, Shoreham, Starksboro,
   Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

   Motion #8: A.Hooper moved that the BOS enter into Executive Session at 8:45 p.m. D.Olson
   seconded the motion.
   VOTE on Motion #8: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen,
   Lincoln, Middlebury (4), Monkton, New Haven, Orwell, Panton, Shoreham, Starksboro,
   Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

The BOS came out of Executive Session at 9:08 p.m.

12. ADJOURN –
   Motion #9: B.Finger moved to adjourn the meeting at 9:09 p.m. R.Orvis seconded the motion.
   VOTE on Motion #9: Yes –21 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen,
   Lincoln, Middlebury (4), Monkton, Orwell, Panton, Shoreham, Starksboro, Vergennes
   (2), Weybridge, Whiting). No – 0. Abstain – 0.

I agree that this is an original of the June 17, 2021 minutes that were considered and approved by the BOS
at its meeting of ________________.
