10. NEW BUSINESS –

a. Proposed Meeting Schedule and Location, 2021-2022 – The Chair presented a proposed meeting schedule for the coming year. The BOS meetings would remain at 7 PM on the Third Thursday of the month (except for the annual meeting, which would be held on the 2d Thursday of April). The E.Bd will determine their schedule which for now remains eight days prior to the BOS meetings at 3 PM.

Motion #6: R.Orvis moved to adopt proposed meeting schedule and location, 2021-2022. E.Zuesse seconded the motion.

The Chair asked if we are assuming meeting by Zoom for the foreseeable future. TK responded that Zoom was the assumed meeting and had not included a physical meeting location on the schedule. P.Sokal stated that he would like the meeting to remain on Zoom permanently.

VOTE on Motion #6: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen, Leicester, Lincoln, Middlebury (4), Monkton, New Haven, Panton, Ripton, Shoreham, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

b. District Legal Representation, 2021-2022 – TK proposed using the same District legal representation as last year.

FB April 8, 2021
Motion #7: J.Bouvier moved to approve the District Legal Representation, 2021-2022. R.Orvis seconded the motion.

VOTE on Motion #7: Yes –22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen, Leicester, Lincoln, Middlebury (4), Monkton, New Haven, Panton, Ripton, Shoreham, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.

c. New Haven Transfer Station Extension Site – TK presented a PowerPoint presentation on the history of the Municipal Drop-off Advisory Committee (MDAC), chaired by C.Brinkman, and the timeline of the District’s determination of need for either expansion of the existing Transfer Station or the search for a second transfer station site to provide more comprehensive services to member towns.

- Weston & Sampson Contract Amendment for Traffic Study – TK reviewed the details of the proposal to conduct a traffic study as would be required by VTrans as part of the permit process.

Motion #8: R.Reed moved to authorize the District Manager to have Weston & Sampson perform a traffic study in relation to the New Haven site not to exceed $13,000. P.Sokal seconded the motion.

J.Bouvier suggested contacting the New Haven Select Board, and planning commission. He asked why we cannot get a permit from the town first and save on the cost of a traffic study. R.Orvis said that we would have to do it either way; if the Traffic Study shows need of us paying for a left-hand turn, it would be a deal breaker. The Chair said New Haven does not seem to have objections to the transfer station at this point. P.Palmer said he is on the town planning commission and has never heard of this project. J.Bouvier suggested that we ask the town whether we have a chance of getting a permit first.

VOTE on Motion #8: Yes – 14 (Ferrisburgh (2), Goshen, Leicester, Lincoln, Middlebury (4), Monkton, Ripton, Vergennes (2), Weybridge). No – 7 (Addison, Bridport, Bristol (2), New Haven, Panton, Whiting). Abstain – 1 (Shoreham).

- Revised Timeline and Engineer’s Opinion of Probable Cost – TK was asked to merge the phases with that of the engineer, which she has done, and showed which design, permitting and construction activities and costs could occur in each phase of the project.

11. DISTRICT MANAGER REPORT –

a. COVID-19 Response Updates – TK did not have news to report. We continue with our Exposure Control Plan protocols at the office and Transfer Station. Staff is encouraged to get vaccinated as they become eligible and will be paid for that time.

b. Legislative Update, Casella Letter to Rutland Herald re Bottle Bill – DM outlined the current VT electronic waste recycling law (VT E-Cycles), and provided a brief summary of S. 126, which was recently introduced as an effort by electronics manufacturers to revise the existing law. The existing law creates an extended producer responsibility program for electronics that places the Agency of Natural Resources in charge of creating and administering a State Plan for the manufacturers to follow. This new bill is provided by the Consumer Technology Association, which represents manufacturers, and is aimed at removing ANR’s administrative role in favor of an industry-led initiative known as a Manufacturer Clearinghouse. This is a new model for electronics management in the U.S., and there is no precedent to illustrate potential effects of this bill in VT. There is a concern that this effort, which appears to be designed to lower the administrative costs of VT’s already successful program, may result in collection coverage gaps, especially in rural areas. There is also some concern about the potential for renegotiating and possibly lowering the compensation rate to collectors such as the ACSWMD. Testimony will begin next week.

12. DISTRICT PROGRAMS REPORT – DM reported that he has been busy with staff trainings that regularly occur around this time, as well as trainings for our new employee. Jessie has scheduled four compost workshops, which will be held over Zoom in May and June. Registrations are now open on the District website. Workshops will be conducted by DM, Jessie, and Colin Clarcq, our AmeriCorps member. Staff also recently completed three virtual blue-bin recycling workshops for the general public, which were well attended. Jessie and Colin are also finishing classroom recycling presentations tomorrow for two Middlebury High School

science classes. Jessie is working to produce our Spring newsletter, which should be completed soon, and she and Colin are assisting the Mountain Health Center in Bristol with composting and recycling educational information for Earth Day. Green-Up Day is May 1\textsuperscript{st}, and Chantel, our County Coordinator again this year, is hard at work organizing all of our member town information, as well as distributing supplies.

13. OTHER BUSINESS – None.

14. EXECUTIVE SESSION – For purpose of discussing negotiation of a purchase & sale agreement of property – The executive session was not necessary at this time.

15. ADJOURN –
   Motion #9: J. Bouvier moved to adjourn the meeting at 8:56 p.m. B. Munoff seconded the motion.
   VOTE on Motion #9: Yes – 22 (Addison, Bridport, Bristol (2), Ferrisburgh (2), Goshen, Leicester, Lincoln, Middlebury (4), Monkton, New Haven, Panton, Ripton, Shoreham, Vergennes (2), Weybridge, Whiting). No – 0. Abstain – 0.
