6. FINANCIAL REPORTS –
   a. January 2020 Financial Report – PJ presented the Pre-Audited January 2020 Financials. A net loss of ($55,690) in the General Fund was incurred in January, traditionally a slow month, and this year January posted 3 payrolls that contributed to the loss. MSW & C&D tonnage were up by 66 tons over last year - 1,542 tons v. 1,429 in 2019. Single Stream Recycling totaled 191 tons, up 3 tons over last year.
   c. Checking Account Funds and CD options at NBMVT – PJ reported that she and TK met with Jo Holm-Hanson at NBM a few weeks ago to discuss the transfer of some of the District’s designated funds to CD’s with higher interest yields. We were going to present a plan to the E.Bd, but with the COVID-19 outbreak and the resulting drop in the market and interest rates, we decided to recommend paring down the transfers to just two transactions: (1) reclassify the Capital Reserve Fund Checking account to a

Master Money account for a higher interest yield; and (2) Roll the Closure Fund sitting in a high-yield, 17-month CD, into a 6-month CD when it matures next week. Hopefully, at the end of six months, interest will have risen so we can reinvest this Fund into a longer-term, higher-yield CD.

d. Municipal Diversion Grant Applications – None received.

e. School Diversion Grant Applications – None received.

7. NEW BUSINESS –

a. Revised Sewerage Construction Budget, Proposed Addendum to Weston & Sampson Contract to add Funds for Construction Oversight – We are about to move from the early design & permitting phase of the project to the construction phase. The Engineer's Opinion of Probable Cost for construction oversight is $171,000, which is within our 2020 budget of $200,000. In order to get started on preparing the bid documents, W&S needed to have a commitment to the $22,000 Engineering Design. TK approved a not-to-exceed $10,000, within her spending limit, with the understanding that the E.Bd would review the revised expenditure of $22,000. No member objections were raised.

b. 2020-21 ECO AmeriCorps Application – Ollie Cultrara, our AmeriCorps member for the past two years, is leaving at the end of her term in August. The deadline for submitting an application for a new AmeriCorps member for the next term is this Friday. The cost to the District would be $8,000, a reasonable amount for all of the benefits we receive from the program members.

Motion #5: TW moved that because of the imminent deadline, the E.Bd authorize TK to approve the 2020-2021 AmeriCorps contract. EM seconded the motion.

VOTE: Yes – 5 (BM, SH, EM, CB, TW). No – 0. Abstain – 0.

c. Update on Regional Drop-off Siting Process – TK reported that she has not had the time to pursue sites with realtors. TK has been working on a summary of the former Municipal Drop-off Advisory Committee conclusions in preparation for public outreach. The Chair and SH offered to begin talking with realtors and providing them a copy of the Transfer Station Siting Criteria.

d. Form Nominating Committee – The Chair and TW offered to serve as the Nominating Committee for the elections to be held at the April 9th BOS Annual Organization meeting. E.Bd members present expressed a willingness to serve on the E.Bd for another year; their names will be added to the slate of nominations for the E.Bd.

8. EXECUTIVE SESSION – Not necessary.

TK reported that a bidder was selected for the Job Salary Classification Analysis that the Chittenden SWD is conducting along with the ACSWMD and the Windham SWD. CSWD is checking references and will get back to us. The budget will not have to be increased to include benefit comparisons. The study is due to be completed by August, in time for our drafting of the 2021 annual budget.

11. APPROVAL OF PAYMENTS – Invoices paid in February 2020 were reviewed and approved.

12. ADJOURN –

Motion #7: EM moved to adjourn the meeting at 4:28 PM. BM seconded the motion.
