Try these online repair resources:

- iFixit at **ifixit.com**, has repair guides, parts, a Q&A forum, and more.
- Manuals Directory at **manualsdir.com**, an online library of owners manuals.
- The Repair Café Foundation at **repaircafe.org/en** for information about where to find Repair Café events and spaces and how to start your own.
- Try asking for repair recommendations on Front Porch Forum at **frontporchforum.com**. Your neighbors are a great resource!
- The Repair Association at **repair.org**, a “right to repair” advocacy organization and professional network which represents everyone involved in repair and reuse of technology.
