To open the link on the Zoom invitation, left click on the link. To open the link on the agenda, either hit ctrl + left click on the link, or right click on the link and select "Open Hyperlink." Select Open Zoom Meetings. If that doesn't open, select Launch Meeting. If you are ever prompted to enter the Meeting ID, enter the number in yellow on this agenda. The passcode is now embedded. Once in, test your audio and adjust speaker volumes. If your audio is not working for some reason, you can use your video and select the audio option for calling in by phone. If your connection becomes slow and unstable, you might try closing your video and continuing on audio only. Your name will appear instead of your image. Select the little microphone icon on the bottom left of the Zoom screen to mute or to unmute. Please select mute if there is background noise. Select unmute when you are ready to speak.

If you prefer, you can also just call the New York number above, and enter the Meeting ID when prompted. It will seem like a regular conference call and is quite easy to do. Any problems logging into the meeting? Contact the hosts – Shelly Edson or Don Maglienti – by calling the office at 1(802) 388-2333. Try to log into the meeting a few minutes early so that the host can respond to your call before the meeting begins. You will be entering a waiting room, and the host will let you into the meeting as soon as possible.
