5. MANAGER REPORT –
   a. Personnel – TK reported that at the staff meeting yesterday, we discussed whether to revise the COVID-19 policy with respect to the use of masks in yard and office. It was decided that outdoors, staff will not be required to wear a mask, and we are going to take down signs in the yard requiring customers and visitors to wear a mask. Staff in the yard will have masks with them in case they come within six feet of a customer/visitor and feel they need to put on a mask. In the office, masks will be optional and at the discretion of each staff. However, staff is encouraged to continue social distancing protocols, such as masking in the conference room, staggered lunchtime in the kitchen. Staff also discussed obtaining advice on an improved ventilation system in the office. Visitors to the office are encouraged to wear a mask, and masks will be made available if they have no mask with them.

   b. Health & Safety –
      - SWANA 2021 Waste Industry Fatalities Report – TK shared encouraging news that the number of fatalities in the waste industry in 2021 have dropped by 50% over 2020.
      - A minor fender-bender occurred in the line to the scale house by two customer vehicles. No one was hurt, but police were called to the scene.
      - AmeriCorps Application for 2022-2023 – TK has submitted the application to have another AmeriCorps member join the District this year; however, chances are not great that we will be able to host a member, as demand for them is high this year. The cost is $8,500.

6. **FINANCIAL REPORTS**

   a. **2021 Annual Financial Audit – Meeting with Josh Quinn, RHR Smith and Company**, CPAs – Josh Quinn presented the 2021 Annual Audit, reviewing the major sections of the year-end financials including net position, fund balances, and the overall health of the District’s financial position. As stated in the March 15th Management Letter to the BOS, no material/substantial issues were found in the review of the District Financials, and noted no transactions of the District for 2021, for which there was a lack of authoritative guidance or consensus or deviation from best practice. Josh praised TK and PJ for their performance this year. DO agreed that PJ and TK did a great job and asked if there were any suggestion for improvements. Josh mentioned that there might be a way to streamline the number of spreadsheets used in order to avoid extra work and possible entry errors. PJ added that WasteWorks is a great software for the scale house, and despite her inquiries, it does not interface with QuickBooks and requires manual entries.

    b. **February 2022 Financial Report** – PJ presented the February Financials showing a net loss of ($47,356) in the General Fund. The Feb MSW/C&D tonnage of 1,376 tons was 153 tons higher than Feb 2021, and YTD tonnage of 2,778 tons was 136 tons higher than YTD 2021. Feb. transactions were 2,918, and YTD transactions of 5,771 were 741 lower than the same YTD period in 2021. No tires were disposed of in Feb. The food scraps total was 5.71 tons in Feb with a YTD total of 13.58 tons, down by 4.36 tons.

    c. **February 2022 Single Stream Recycling Report** – The tons of Single Stream Recyclables received at the Transfer Station were 314 tons, with the YTD totals of 658 tons. A total of 232.03 tons was transported to the Materials Recovery Facility (MRF) and recycled at a processing fee of $82/ton. PJ stated that Casella informed her that there was an error in the tonnage processing tons in Feb. Due to some tons having been transported by Casella Construction trucks during a recent breakdown of the District compactor, those tons were unaccounted for and will be adjusted in the future billings.

    d. **VLCT PACIF Grant Award** – PJ informed E.Bd that VLCT has awarded the District a $6,000 grant to improve upon our camera security system in our yard, adding new cameras at the lower scale and in the special waste building.

   Motion #4: BM moved to approve the Quotes for Specialized Toter-Washing Equipment – Power Washer. RO seconded the motion.

   VOTE: Yes – 5 (BM, DO, CB, RO, TW). No – 0. Abstain – 0.
