Health & Safety – Staff held a meeting the day before to discuss various issues, including the COVID-19 precautions in the yard and in the office. As the rate of new COVID-19 cases in Addison County is now at a low level this week, all agreed that masks would be optional according to the individual employee's comfort level, and that precautions such as social distancing, symptom tracking, disinfection, etc., still be practiced daily. In addition, signs on the office door will be updated, asking visitors to please not enter if showing symptoms, and also to wear a mask if they are unvaccinated. Transmission levels will be tracked weekly, and policies can be changed accordingly. 6. FINANCIAL REPORTS – a. April 2021, financial Report – PJ presented the April Financials showing a \$26,328 net gain in the General Fund. The April MSW/C&D tonnage of 2,029 tons was 20 tons higher than April 2021, and YTD tonnage of 6,508 tons was 73 tons higher than YTD 2021

Emily recently graduated from UVM with a B.S. in Environmental Sciences, and with a minor in Geospatial Technology. b. Health & Safety – Staff held a meeting the day before to discuss various issues, including the COVID-19 precautions in the yard and in the office. As the rate of new COVID-19 cases in Addison County is now at a low level this week, all agreed that masks would be optional according to the individual employee's comfort level, and that precautions such as social distancing, symptom tracking, disinfection, etc., still be practiced daily. In addition, signs on the office door will be updated, asking visitors to please not enter if showing symptoms, and also to wear a mask if they are unvaccinated. Transmission levels will be tracked weekly, and policies can be changed accordingly. 6. FINANCIAL REPORTS – a. April 2022 Financial Report – PJ presented the April Financials showing a \$26,328 net gain in the General Fund. The April MSW/C&D tonnage of 2,029 tons was 20 tons higher than April 2021, and YTD tonnage of 6,508 tons was 73 tons higher than YTD 2021. April transactions were 			VOTE: Yes -4 (DM, DO, RO, TW).
