   Motion #2: TW moved to approve the minutes of Sept. 9, 2020. DO seconded the motion.

4. PUBLIC COMMENT PERIOD – The Chair opened the public comment period.

5. MANAGER REPORT –
   a. Personnel – New BCBS/VT Small Group Plans for CY2021 have come out; it appears that the plan the ACSWMD had been providing for employees the past several years is no longer being offered. Staff will have to compare available plans and present its recommendation to E.Bd at the Nov. 11th meeting. Also, Health Equity, which handles ACSWMD’s HRA plan, is no longer partnering with BCBS/VT. PJ has spoken to BCBS/VT, and they have a replacement HRA plan that we will most likely partner with.
   b. Health & Safety – Beauregard Equipment has informed us that they expect us to pay $3-4,000 in cosmetic repairs to a loader they loaned to us while we awaited delivery of a long-overdue loader we purchased from them back in Feb. The matter is being referred to the District’s insurance company for review.
   c. Ferrisburgh vacancy, New Alternate from Middlebury - Steve Huffaker has resigned from the BOS as Ferrisburgh's Supervisor. David Olson, the Town's Alternate, is filling in for Steve until the Town appoints a new Supervisor. TK introduced Andy Hooper, the new Alternate from Middlebury.

6. FINANCIAL REPORTS –
   a. August 2020 Financial Report – PJ presented the August 2020 Financials showing a net gain of $43,116 for the month. August tonnage of 2,100 was lower than the 2019 total of 2,320. Transactions continue to be high at 6,792 in August, the 3d highest total ever recorded at the gate.
   b. August 2020 Single Stream Recycling Report – In August, the Transfer Station received a total of 366 tons of single stream recyclables. The processing fee remained at $112/ton, resulting in a YTD net loss of ($20,071) in single stream recycling.
   c. Municipal Diversion Grant Applications – None received.
   d. School Diversion Grant Applications – None received.

7. NEW BUSINESS –

a. COVID-19 Updates –
   - LGER grant, FEMA grant, hazard pay grant, stipend pay. TK reported that we were
told by LGER to apply for a FEMA grant before they could approve our grant application, even
though we did not appear to meet the criteria for the FEMA grant. We will apply to FEMA.
There was some consideration in the Legislature regarding hazard pay grants for essential
workers, and specifically included solid waste collection. We are waiting for more info on that.
TK mentioned a small monthly stipend for exempt staff working from home and the expenses
associated with that; the stipend will be submitted to FEMA and LGER.

b. Casella Waste Management, Inc. Transportation & Recycling Agreement One-Year
   Extension (1/1/2021 – 12/31/21). TK recommended that the E.Bd approve a one-year extension to
the CWM Agreement for Transportation & Recycling, beginning on 1/1/2021. The District has the
right to request this 60 days prior to the end of the existing Agreement.
   Motion #3: BM moved to approve Casella Waste Management, Inc. Transportation &
   Recycling Agreement One-Year Extension. TW seconded the motion.
   VOTE: Yes – 7 (BM, DO, RR, AH, DG, CB, TW). No – 0. Abstain – 0.

c. Sale of 30-cu.yd. roll-off box – It does not appear that the Town of Bennington is going to
purchase the extra roll-off box after all. We have had some interest from haulers to purchase the roll-off box for the amount we paid for it, including shipping costs.
   Motion #4: TW moved to authorize TK to sell the extra roll-off for the best price we
can get. BM seconded the motion.
   VOTE: Yes – 7 (BM, DO, RR, AH, DG, CB, TW). No – 0. Abstain – 0.

d. New Haven site – proposed layout – TK, DM and GH reviewed the first proposed site plan
with Shane Mullen, W&S. We made some recommendations about the layout. The queuing area for
24-32 vehicles and the facility are all situated on Lot 6. The E.Bd discussed whether to purchase Lot
1 and the abutting church property. DM recommended that we keep the church property with the
hazardous waste building separate from Lot 1 and/or Lot 6. Staff will present a revised site plan to
the E.Bd and BOS in Nov.

e. Update on ACRPC letter re 2020 Draft SWIP – We are awaiting a response letter from ANR
to the revised draft 2020 SWIP, without a letter of conformance from the ACRPC. Adam Lougee,
the Director, reported that the matter would be on the Oct. 14th agenda of the ACRPC meeting. TK
will work on suggested updates to the solid waste sections of the existing 2018 ACRPC Plan. Most
likely we will ready to warn a public hearing on the SWIP at the Nov. 19th BOS meeting.

8. EXECUTIVE SESSION – Executive session was scheduled for the purpose of discussing the
results of the personnel salary and benefits study conducted by MRI.
   Motion #5: TW moved to enter into executive session for the purpose of approving the

design new salaries after 2021. BM seconded the motion.

9. AGENDA ITEMS FOR OCTOBER 15, 2020 BOS MEETING – The E.Bd voted to cancel the Oct. 15th BOS meeting due to lack of business. DG asked that the BOS be reminded of the importance of the Nov. 19th BOS meeting and public hearings.

Motion #8: BM moved to cancel the October BOS meeting. TW seconded the motion. VOTE: Yes – 6 (BM, RR, AH, DG, CB, TW). No – 0. Abstain – 0.
